I will reach out to the LOGCAP lead and restate the requirement. I recommend not responding directly to the contractors as there has not been an award yet.

Subject: RFIs

(b) (6),

Not sure if you have seen these RFIs. Can you provide info for #1

1. PAWO. We have to use the PAWO process. Do you have a reference or someone who could help me with that?

(b) (6) -Can you provide the info for #2-3? Not sure if we can provide the SWPPP at this point in time.

2. SWPPP. The RFI responses state you drafted a SWPPP. Could you provide that draft? It would be helpful to have the format.

3. Storm Water Calculations. Understand the 95th percentile storm event. Can you provide a POC to validate our calculations?

Thank you,

We got back the answers to our RFI's this week. I have a few follow on questions.

1. PAWO. We have to use the PAWO process. Do you have a reference or someone who could help me with that?
2. SWPPP. The RFI responses state you drafted a SWPPP. Could you provide that draft? It would be helpful to have the format.
3. Storm Water Calculations. Understand the 95th percentile storm event. Can you provide a POC to validate our calculations?

Very Respectfully,
